Dear parents,

Can you believe our school year is almost over? We only have 7 more weeks of school. I would like to share the various activities we have planned for the rest of the school year.

One of the virtues that students have partaken in this school year is service. Service is giving to others and making a difference in their lives. This year's service projects include: KJH beach clean up and park clean up, Kenmont Cares drives for Friends of Women and Good Neighbor Settlement House, and our various dress down days for the immigrants and disaster relief. Our final service project this year will be Aveda Walks for water charity walk. We invite all parents and students to walk with us around the track the morning of Monday, April 17th from 8:30 - 9:30 am. With each person's social media posting and hashtagging the cause, Aveda will donate \$40 per hashtag to the clean water projects.

During May we will also conclude our book club meetings. These sessions have been very informative and I hope everyone will join

very informative and I hope everyone will join us for our last meetings!
I hope everyone has a wonderful Easter break!
