

KENMONT

Montessori School

LeaderinMe®

February 3, 2025

Dear Kenmont Families,

As we step into February, there is an exciting lineup of activities happening across the school. Our students are diligently working in their classrooms, basketball games are taking place in the afternoons, and our Primary students are eagerly preparing for their Charro Days dances.

This month, we continue our Merit Pin Series with a heartwarming theme: *"I Love My Grandparents!"* Our Primary and Elementary students will be writing letters to their grandparents, and Kenmont Cares will be hosting a Metric Drive to raise funds for a very special cause. We are raising money to help build a bedroom for a homeless grandparent. All funds raised will be donated to El Asilo de Ancianos Pan y Vida de Matamoros, a local organization dedicated to helping elderly individuals in need. Each Kenmont student will be encouraged to gather four sponsorships. The sponsorship paperwork will be sent home today, and the drive will run through February 26th.

Next week, we're excited to kick off Spirit Week, where all students are invited to show their school pride by dressing up according to the theme for each day. We will wrap up Spirit Week with our Elementary and Junior High Valentines Sock Hop.

To close out the month, we will celebrate Charro Days with several activities. Our K5 students will be participating in the Bansa Entre Amigos festival on Tuesday, February 25th Kenmont will be the proud host of this wonderful event. Then, on Thursday, February 27th, at 9:00 am, our Primary classes will perform traditional Mexican dances. The day will culminate with our Fiesta de la Comida, a special celebration of food and culture. Please note that dismissal will be at noon on that day.

I would like to take a moment to express my gratitude to all the parents who have been actively participating in our Book Club meetings. Your involvement is truly appreciated, and we encourage any other parents to join us at future meetings. I look forward to seeing even more of you in the coming sessions!

Julie Gonzalez, M.Ed.
